

## NEW IGH CORPORATE VALUES

WE STRIVE TO EXCEED CLIENTS' EXPECTATIONS.

### Client orientation

Our experience and expertise enables us to recognise the needs of our clients. We offer solutions through consultancy and personalized approach, creating long-standing relationships to mutual benefit and satisfaction.

DEDICATED TO PROGRESS.

### Excellence

We focus on expertise and quality in all our activities. We set standards and permanently invest in raising competences of our employees.

MAKING THINGS HAPPEN.

### Proactivity

We continuously strive for better solutions, with maximum efforts in all situations and on every project. We adopt and create new opportunities, gain experience and develop through them.

CONTRIBUTING TO SUSTAINABILITY.

### Social responsibility

We support only ethical behaviour and are aware that our activities, in all segments and relationships, can have a positive impact on the local community, environment and society as a whole.

CREATING NEW VALUES TOGETHER.

### Cooperation

We encourage cooperation and knowledge sharing. We foster good relations and create a pleasant and stimulating working environment.
